## Proposed Local Law No. 1 of 2023

### Version Notes For:

#### June 7, 2023 Proposed Amendments to Zoning Chapter 134 of Village Code

There are three electronic versions of Chapter 134 available for public review as of the date above and as follows:

1. A “redline” version (version 3 - see “2023-06-07-Chapter-134-version-3-Redline.pdf”) of the proposed Chapter 134 Amendments has been prepared so readers can view all additions and deletions made to the document from the April 12, 2023 Version 2 of the document, posted to the Village’s website on that day. This document memorializes all changes made to the text of the document with the exception of the tables. The word processing software used to develop the electronic files does not allow the use of “redline” functionality in tables and graphics and so where possible, changes made to the proposed tables are shown by yellow highlighting. Changes to the proposed Zoning Map can be determined by comparing the April 12, 2023 version of the Map with the proposed June 7, 2023 version side by side.
2. A “new text” version (see “2023-06-07-Chapter-134-version-3-New Text.pdf”) of the same has been created that shows new text added since the April 12, 2023 Version 2 but suppresses the deletions. This document is more readable than the “redline” version of the document.
3. A “clean” version (see “2023-06-07-Chapter-134-version-3.pdf”) of the same document has been created in a form suitable for adoption as Local Law No. 1 of 2023, once additional New York State Department of State filing requirements and forms have been added. This version does not include any redline of new or deleted text and is the most readable form for review.
